ZEMVELO DELIVERS HOPE FOR YOUR HEALTH

Neil Butterfield, the founder of Zemvelo by Mineralife Nutraceuticals, has always been passionate about helping others. After seeing the negative impact that a lack of food nutrition can have on people's health, he set out to find ways of getting better nutrients into their diets.

Zemvelo lives by "You are what you absorb" for a reason. Neil has dedicated the last 13 years in business to mastering the best delivery methods for mineral and vitamin supplements to ensure your body is getting the nutrients it needs to thrive.

OUR SUPPLEMENTS SUPPORT A VARIETY OF HEALTH BENEFITS

Built around a passion to help others, Zemvelo is much more than just an ordinary supplement company.

Our products are designed and controlled for the maximum health of our consumers. As such, we maintain strict quality standards throughout every step in their life cycle including ingredients from vetted suppliers who meet sustainable practices as well as a manufacturing process that exceeds cGMP guidelines. This ensures integrity with production processes.

Powerful electrolytes and important trace minerals on-the-go.

Serving Size: 1/2 tsp (2.5 ml)

Servings Per Container: 48

Active Ingredients:

Magnesium (30mg)

Sodium (5mg)

Potassium (120mg)

Trace Minerals (144mg). Naturally occurring, varying amounts of ionic and trace minerals from concentrated Great Salt Lake minerals.

Other Ingredients: Reverse Osmosis Water, ActivFulvic™, Non-GMO Sorbic Acid (nature-identical, from Potassium Sorbate to protect freshness)

Supported by Replenish

HYDRATION

SUSTAINABLE ENERGY

IMPORTANT ELECTROLYTES

The Power of Replenish

- ✓ Supports muscle function and recovery
- ✓ Potassium helps balance water and the pH balance within cells
- ✓ Magnesium helps prevent muscle cramping and encourages healthy, restorative sleeping patterns
- ✓ Chloride is a vital mineral that aids in the efficient use of oxygen within cells
- ✓ Contains over 72 trace minerals that are essential in the biochemical reactions that allow the body to function optimally

Directions:

Adults: Place up to 1/2 tsp (2.5ml) into 8-16oz of water.

Stir or shake well.

Children under 4: Consult your physician.

REPLENISH

TOPICAL SUPPLEMENTS

Our skin is our largest organ, and it absorbs – on average – 60% of what we put on it. When your pores are open (i.e., foot scrub) it may absorb more.

You Are What You Absorb

Topical application can be more effective than oral consumption as it will enter the bloodstream directly and avoid going through the digestive process.

Become a Wholesale Distributor

Topical supplements are great for Wellness Centers, Nutritionists, Chiropractors, Health Food Stores, Vitamin and Supplement Retail Stores, Fitness Centers, and more!

White Label Zemvelo Supplements

We love to provide the opportunity to the health community to offer our products under their brand. Your success is our success.

MAGNESIUM OIL

**Transdermal application
for those who cannot
stomach magnesium
supplements orally.**

Serving Size: 8 sprays (~920mg Magnesium Chloride (100mg pure elemental Magnesium))

Servings Per Container: ~1920 full sprays

Active Ingredients: 100% Ultra Pure Naturally Occurring Genuine Permian Minerals™ Magnesium Chloride from Ancient Permian Period Sea Deposits

Directions:

Adults: Spray 8 sprays onto large areas of skin such as forearms, thighs, and sides of the abdomen.

For sensitive skin types: spray on the soles and arches of feet. A tingling sensation may occur as the magnesium soaks in, particularly on thinner areas of skin.

Soak: Add 2oz to bath or foot soak. Soak for 20-30 minutes.

Children: Dilute 50/50 with pure filtered water.

Supported by Magnesium Oil

MUSCLE RECOVERY

SUSTAINABLE ENERGY LEVELS

IMPROVED SLEEP

The Power of Magnesium

- ✓ Facilitates calcium transport and deposition into bone & blood vessels
- ✓ Supports tissue growth and development
- ✓ Supports immune system health and function
- ✓ Primary electrolyte alongside calcium, potassium, sodium, and chloride
- ✓ Supports airway health and respiration
- ✓ Helps conduct nerve impulses and the relaxation of muscle tissue
- ✓ Supports healthy and normal involuntary body movements
- ✓ Supports muscle health
- ✓ Supports healthy and happy body composition
- ✓ Supports healthy eating habits
- ✓ Supports monthly feminine health
- ✓ Supports healthy cardiovascular electrical impulses
